Our products in the WORLD

COMDALGEL is a well-positioned brand in the Portuguese market, having clients from North to South of the country.

In 2011, our company decided to invest in the export market. Due to the quality, efficiency, speed of our work and consequently the satisfaction of our clients, currently we exports to over 15 countries in the whole world.

With the good results obtained up to the present days, we aim to expand our range of clients in the markets we are working now and explore other business opportunities in new ones.
